AVONWORTH **A** HOCKEY

About Avonworth Ice Hockey Club:

- 501(c)(3) Organization,
- Club is in its 6th Season and has experienced growth both in participants and level of competition,
- Home ice is Baierl Ice Complex in Warrendale,
- Participates in the Pennsylvania Interscholastic Hockey League (PIHL),
- Coaches have required clearances and are trained and certified by USA Hockey,
- Serves Avonworth and Ambridge school districts,
- There will be both a Junior Varsity and a Middle School team, anchored by a developmental program for players in Kindergarten through 5th grades,
- High School Team was in JV Championship Playoff Game in its first year of competition,
- Our teams are totally self-supporting and do not receive funding through the school districts, and
- Sponsorship helps to offset the costs for Ice-time, EMT personnel (required for games), skill sessions, travel fees, uniforms and team equipment.

The ongoing support of our corporate and individual sponsors are critical to the continued success of our program. This is where we need your help. We view sponsors as partners that are able to come along side of the kids and continue to grow the Avonworth Hockey Club. Please join us in making hockey a reality for dozens of students at Avonworth and our partner school districts.
